

# Aviation Venture Crew

## Open House June 16th—10:00 AM to 1:00 PM Administration Building Classroom

Join us at the OSU airport to learn more about this exciting new group for young men and women that want to learn about flying as a lifelong hobby.

Perhaps you've been to our one-day program, now you can continue your interest in aviation with lots of exciting hand-on activities.

- Fly-outs
- Visit FAA facilities
- Flight simulators
- Ground School
- Safety Seminars
- Assist with bi-annual Youth Aviation Adventure

### About Venturing:

Venturing is a youth development program of the Boy Scouts of America for young men and women who are 14 (and have completed the eighth grade) and are not yet 21 years of age. Venturing's purpose is to provide positive experiences to help young people mature and to prepare them to become responsible and caring adults.

### About Youth Aviation Adventure:

Our mission is to introduce young people to the exciting world of aviation, unraveling the wonder and mystery of flight, in high-quality, engaging, educational programs.
